

**Five reasons why you should  
vote for Reform UK:**

## **REFORM UK WILL**

### **1. Make working worthwhile again**

*- by no one earning under £20,000 paying any income tax*

### **2. Slash NHS waiting lists and waiting times**

*- by utilising existing spare capacity in private hospitals*

### **3. End the insanity of Net Zero targets**

*- by allowing retention of petrol/diesel cars & gas boilers,  
producing our own gas/oil, driving down energy prices*

### **4. Stop the Boats – quickly and permanently**

*- by returning migrants to the coast of France, minus  
their boats, and thousands of pounds paid to smugglers*

### **5. Bring down “real crime” levels**

*- by ensuring police prioritise the crimes that affect you  
(time they returned to policing our streets, not our tweets)*
